TRIBAL-INTERIOR BUDGET COUNCIL (TIBC)

The [Tribal - Interior Budget Council](#) (TIBC), formerly known as the Indian Affairs Tribal Budget Advisory Council (TBAC), provides a forum and process for tribes and Federal officials to work together in developing annual budget requests for Indian programs in the Department of the Interior. It provides cooperative participation in IA budget formulation, justification, and information.

TIBC meetings also serve as an education forum to better inform tribes of the IA budget process and advise on the status of Indian Country initiatives throughout the Federal Government.

ATNI would like to make a recommendation for the nomination of the TIBC alternate Delegate for forwarding to the BIA Portland Area Office. We are seeking nominations, if you are interested in nominating a representative, please submit the information to ATNI at atni@atnitribes.org.
